WILDLIFE WEEK CELEBRATION, 2021 IN MANIPUR

Wildlife Week, 2021 would be celebrated during 2nd October – 8th October 2021 across the State of Manipur with enthusiasm and fervour like previous years. To observe the event, it is expected that suitable programmes are organised to celebrate the occasion, and to create awareness among the general public towards the importance of protection and conservation of Wildlife. The theme of the Wildlife Week celebration 2021 is “**Wildlife, Nature and Human Existence**”.

The events to be organised during the Wildlife Week Celebration have already been indicated in the Minutes of the Meeting held on 7th September 2021, a copy of which has been circulated to all offices.

The following events are being organised:

State Level Wildlife Photography Competition, 2021 to be held online on the theme: *Reptiles and Amphibians of Manipur*. Slogan Writing Competition to be held online under two Categories: i) Category-I (Class-VI to VIII) & ii) Category-II (Class IX to XII) and Essay Writing & Quiz Competition to be held at Divisional Level by all Territorial DFOs.

It may be mentioned that the above events are indicative only and the DFOs and other Officers concerned may organise other appropriate events, if they wish to do so.

I urge all the Officers of the Department, especially the Wildlife Wing, Forest Department, Manipur and all territorial DFOs, to observe and celebrate the Wildlife Week, 2021 in a befitting manner, in order to educate and create awareness about the importance of protection, preservation and conservation of Wildlife and Biodiversity.

(Dr. Aditya Kumar Joshi)
Principal Chief Conservator of Forests (Wildlife)
& Chief Wildlife Warden
