OFFICE MEMORANDUM
Imphal, the 12th April, 2022

In view of the expressed difficulties faced by the Territorial Forest Divisions and some of the Wood Based Industries in accessing the online monitoring portal which has developed some technical snags since 1st April, 2022 and keeping in view the need to issue Transit Pass/ STP for the forest produces in transit, the directions given by this Office in the Office Memorandum of even No. dated 27.11.2020 may be followed. Accordingly, Territorial DFOs may utilize the manual Transit Pass (STP) under intimation to their respective Conservator of Forests with valid justification.

Similarly, concerned Territorial DFOs may judiciously issue '*Water Marked LTP*' to WBIs for transportation of their respective finished veneer/plywood products outside the State. In doing so, it must be ensured that the quantity of finished veneer/plywood products for which TP is being issued, is well within the allocation made to that particular WBI(s).
